

Dennis L. Caputo, CHMM, REM, CEP, QEP, DABFET

PUBLICATIONS AND PRESENTATIONS

Mr. Caputo has authored over 50 articles and presentations including:

- “Commercial and Regulatory Barriers to Hazardous Waste Reuse: A Case Study,” With Ian Linton, National association of Environmental Professionals 25th Annual Conference – 2000.
- “Options for Managing Contaminated Property in Real Estate Transactions,” Texas Equity Marketing Network and Houston Property Exchange – 1999.
- “Environmental Site Assessments,” Commercial Real Estate Network – 1999.
- “Automobile Shredder Residue – An Update on Options,” 10th International Iron & Steel Industry, Steel Mill Wastes and By-Products Conference, Toronto, Canada - 1997.
- "Developments in Tin Recycling: New Sources, New Products, New Processes," Co-authored with Ian Linton, 4th International Tin Conference, Miami, FL – 1996 (P).
- "ASR: Options and Implications," 9th International Iron & Steel Industry, Steel Mill Wastes and By-Products Conference, Pittsburgh, PA - 1996.
- "Automobiles, Plastics and the Environment...Do They Mix?" Society of Plastics Engineers, Polyolefins IX Conference - 1995.
- "Automobile Shredder Residue: Options and Implications," Journal of Environmental Permitting, Summer 1995 (P).
- "State of the Art in the Technologies for the Control of Environmental Pollution," ADIAT (National Association of Executives of Research and Applied Technology), Monterrey, Mexico - 1995.
- “Cutting-Edge Methods For Getting Better Work at a Better Price From Outside Environmental Counsel,” The 5th Environmental Corporate Counsel Institute – 1994
- “Compliance Auditing,” Environmental Regulation Course, Executive Enterprises, Inc. - 1994.
- "Recycling Solid Waste," Guest Lecturer, Environmental Management Graduate Program, University of Houston Clear Lake - 1994.
- "Environmental Issues in the Recycling Industry," University of Houston Clear Lake - 1994.
- "Environmental Career Opportunities," University of the South - 1993.
- "Hazardous Waste Insider" Video, American Bar Association/Air & Waste Mgmt. Assoc. - 1993.
- "Managing Environmental Consultants," South Texas College of Law, Environmental Law Symposium - 1993.
- "Waste Minimization in the Aerospace Industry," Texas Water Pollution Control Association - Annual Conference - 1992.
- “Superfund Current Responsibility for Past Waste Management Practices,” University of Texas School of Public Health, Guest Lecturer - 1992.
- “Point and Non-Point Source Discharges: Rules, Permits and Management,” Session Chairman and presenter, Southwest Environmental Hazards Conference - 1991.
- "Environmental Issues Surrounding Automobile Recycling," National Association of Environmental Professionals Annual Conference –1991 (P).
- "Automotive Shredder Residue Options," Society of Plastics Engineers Connecticut Regional Technical Conference - 1991.

PUBLICATIONS AND PRESENTATIONS

- “Decommissioning Chemical Plants,” CHEMTECH published by the American Chemical Society, October 1990, Dennis L. Caputo and Robert M. Zoch, Jr. (P).
- "Environmental Impact on Price and Availability of Scrap Metal," Iron and Steel Society, 48th Electric Furnace Conference - 1990.
- "An Evaluation of Alternative Technologies for the Incineration of Solid and Hazardous Wastes," AIChE (Mexico) Environmental Conference, Monterrey, Mexico - 1990.
- "Environmental Obstacles to Metal Recycling," National Recycling Coalition - Annual Conference - 1990.
- “Alternatives for Managing Solid and Hazardous Wastes,” University of Texas School of Public Health, guest lecturer - 1990.
- “Superfund & RCRA – Compliance with the Law”, University of Texas, School of Public Health – 1989.
- "RCRA Corrective Action: The First, Hudson Oil Refinery" Annual Conference, Texas Water Pollution Control Association – 1988 (P).
- "Superfund: State/Regional Issues," U. S. EPA - Region VI Environmental Conference - 1988.
- "Decommissioning of Old Gas Plants," Annual Conference of the Gas Processors Association - 1988.
- "Risk Assessment for RCRA Continuing Releases Corrective Action", Annual Conference of the National Association of Environmental Professionals – 1988 (P).
- "Planned Versus Ad Hoc Groundwater Monitoring," Refinery Groundwater Conference, Toronto, Canada - 1987.
- "Cost to Industry Determined By Extent of RCRA Regulation", The American Oil and Gas Reporter, magazine of the American Petroleum Institute - November 1987.
- “Investigating Leaking Underground Storage Tanks,” Alaska Department Environmental Conservation Conference on Underground Storage Tanks - 1987.
- Waste Minimization Handbook, US National Association of Manufacturers, contributing author – 1986 (P).
- "Hazardous Waste Management Practices in Texas", Texas Water Commission Annual Hazardous Waste Workshop - 1986.
- "A Mediated Process for Siting Hazardous Waste Management Facilities," Southern Environmental Resources Conference - 1986.
- "An Approach to the Problem of Leaking Underground Storage Tanks,” Environmental Lecture Series, University of Houston - 1985.
- “Managing Underground Storage Tanks,” ENSR Environmental Series - 1985.
- “Alternatives for Investigating Possible Leaking Underground Storage Tanks,” ENSR Environmental Series - 1985.
- "Evaluating Environmental Risks in Acquisitions and Divestitures", HazMat ‘84 S. W. Conference - 1984.
- "Keystone Siting Process Handbook", contributing author - 1984.
- "The Effect of Chemical Leachates on Clay Liners," Texas Water Pollution Control Association Annual Conference – 1983 (P).
- "Gulf Oil Environmental Compliance Strategy," (with J. Strausser) - 1983
- "Risk Analysis - One Company's (Gulf Oil) Approach," Texas Environmental Coalition - 1983.

PUBLICATIONS AND PRESENTATIONS

- "Siting Hazardous Waste Facilities - A New Approach," American Society of Civil Engineers - Annual Conference - 1983.
- "State Activities in Wastewater," CMA State Affairs Seminar - 1982.
- "Plastics in Municipal Waste," Plastics Engineering Magazine – 1982 (P).
- "Compliance with RCRA - A Case Study (Gulf Oil)," (with J. Strausser), Environmental Management Institute - 1981.
- "1981, The Year of the Clean Air Act," Houston Naturalist Magazine - 1981.
- "Long Term Risks: Land Disposal v. Incineration," National Academy of Science - 1981.
- "Environmental Training," Channel Industries Training Group - 1981.
- "Plastics Waste: An Untapped Resource," Society of Plastics Engineers, Annual Technical Conference – 1981 (P).
- Environmental Acronyms and Abbreviation Booklet, Published by Gulf Oil Corp. - 1980.

(P) – Peer reviewed article or paper
